

Formal wear to share? Show those in need you care!
Open up your closets and open doors for our youth.

***Fitting For the Future will take place
in Springfield MA on April 6, 2019!***

HelpOurKids, a Western MA-based non-profit organization that supports children in foster care, is seeking donations of new or gently used fashionable and formal dresses, suits, shoes, ties, and jewelry appropriate for male and female high school and college-aged young adults.

The event provides high school kids in foster care the chance to “shop” for their special outfit, just like their peers. Registration opens February 1, 2019.

Please visit helpourkidsinc.org/fitting-for-the-future/ for information about volunteering, how to donate items, or how you can spread the word. All donated items will be made available to teens in Western MA’s foster care by referral and without charge!
